Subject: House Bill 5744

Dear Malika,

Thank you for your help with the question I had about advising the House Judiciary Committee of our opposition to a bill that will be considered by the committee tomorrow.

We cannot attend the hearing on Wednesday, so I would like to take this opportunity to state that Michigan Lawsuit Abuse Watch is opposed to HB 5744 which amends the way in which juries are allowed to use the comparative fault of the plaintiff in determining how much they are entitled to receive from a defendant in an injury case.

If you would put our opposition to the bill on the public record, we would be most appreciative.

Regards,

Bob Dorigo Jones
